### II. JURISDICTION & VENUE

- 3. Subject matter jurisdiction is proper under 28 U.S. 1332(a)(1) because AFM and the Association are citizens of different states and the amount in controversy exceeds \$75,000, exclusive of interest and costs.
- 4. Venue is proper in this judicial district under 28 U.S.C. § 1391(b)(2) because a substantial part of the events or omissions giving rise to the claim occurred here, and under §§ 1391(b)(1), (c)(2), and (d) because AFM is subject to the Court's personal jurisdiction with respect to this action.

### III. CLAIMS

- 5. AFM issued a series of property insurance policies to the Association, including policy number SE922 with a May 1, 2014 to May 1, 2015 policy period; and policy number TK193 with a May 1, 2015 to May 1, 2016 policy period.
- 6. The Named Insured under the Policies is Cristalla Condominium Association, and the property insured under the Policies includes the common elements of Cristalla Condominium.
- 7. On April 1, 2015, the Association submitted a claim for water damage to the Condominium.
- 8. AFM acknowledged the water damage was covered and, in May 2015, AFM paid the Association \$38,446.63 for covered damage.
- 9. No member of the Association or anyone on its behalf told AFM that the water damage that was the subject of the April 1, 2015 notice resulted from a single storm, a single rain event, or anything other than ongoing water intrusion.

23

Before issuing the \$38,446.63 payment, AFM did not investigate whether the

On July 24, 2015, the Association notified AFM that the water damage at the Condominium was more extensive than what AFM had previously identified and paid for.

water damage resulted from a single storm, single rain event, or anything other than ongoing

- 12. Notwithstanding the fact that AFM had acknowledged coverage for the water damage, AFM refused to issue any additional payment to the Association.
- 13. An actual controversy exists between the Association and AFM concerning the rights and obligations of the parties under the Policies. The Association is entitled to a declaration regarding these rights and obligations, including a declaration that one or more of the Policies cover the unreimbursed water damage to the Condominium.
- 14. AFM owes contractual duties to the Association under the Policies, which duties AFM has breached, proximately causing damage to the Association in an amount to be proven at trial.
- 15. AFM violated 284-30-330(1) and 284-30-350(1), and as a result violated RCW 48.30.015(5), by claiming that the AFM Policies require the insured to "identify the specific date that water damage occurred and the cost associated with each respective occurrence" to be entitled to coverage under the Policies.
- 16. AFM violated WAC 284-30-330(2), WAC 284-30-330(3), and WAC 284-30-370, and as a result violated RCW 48.30.015(5), by failing to act reasonably promptly with respect to the Association's claim and by failing to complete AFM's investigation within 30 days.
